

CHAMUNDESWARI AMMISSETTY

MERN Stack Developer — Full Stack Developer

ammisettychamundeswari0@gmail.com — +91 9032149346 — Andhra Pradesh

GitHub — LinkedIn

Professional Summary

Computer Science Engineering student and MERN Stack Developer with hands-on experience building full-stack web applications using React.js, Node.js, Express.js, and MongoDB. Skilled in developing REST APIs, authentication systems, responsive user interfaces, and database-driven applications through internships and real-world projects.

Experience

AWS Cloud & DevOps Intern

Datavalley India Pvt. Ltd.

Nov 2025 – Mar 2026

- Gained experience with AWS services, cloud deployment, and DevOps practices.

Full Stack Development Intern

Infosys Springboard

Sep 2025 – Nov 2025

- Worked as part of a team to develop a Civic Issue Reporting and Tracking application.
- Designed responsive UI layouts and developed frontend components using React.js.
- Collaborated with team members to integrate application features and improve user experience.

Frontend Development Intern

InLighnX Global Pvt. Ltd.

Aug 2025 – Sep 2025

- Created responsive web applications including Portfolio, Quiz and To-Do applications.
- Developed reusable React components.

Python Programming Intern

SkillDzire

May 2025 – Jun 2025

- Developed Python applications and solved programming challenges.

Projects

Muzik – MERN Music Streaming Platform

React.js, Node.js, Express.js, MongoDB

- Developed a Spotify-inspired music streaming application using the MERN stack.
- Implemented JWT authentication, playlists, albums, and REST APIs.

Civic Issue Reporting & Tracking Application

Team Project — React.js, MongoDB

- Contributed to UI design and frontend development using React.js.
- Developed responsive interfaces and collaborated with team members.

Online Book Store

HTML, CSS, JavaScript, SQL

- Developed an online bookstore with search, cart, and checkout features.
- Managed user and product information using SQL.

Technical Skills

Programming Languages

JavaScript (ES6+), Python, SQL

Frontend Development

HTML5, CSS3, Bootstrap, React.js

Backend Development

Node.js, Express.js, REST APIs

Database

MongoDB, SQL

Concepts

CRUD Operations, JWT Authentication, API Integration, Responsive Web Design

Developer Tools

Git, GitHub, VS Code, Postman, Antigravity IDE

Education

Bachelor of Technology (Computer Science Engineering)

Narasaraopeta Engineering College

2022 – 2026

CGPA: **8.39/10**

CCBP 4.0 Intensive – MERN Stack Development Training

NxtWave

2026

Certifications

Node.js, JavaScript Essentials, Database Fundamentals, Responsive Web Design – NxtWave

MongoDB, Node.js Essential Training, TypeScript – Infosys Springboard

Full Stack Web Development – GeeksforGeeks SkillUp

SQL (Basic) – HackerRank

AWS Cloud Computing – APSSDC

Achievements

Campus Ambassador – AcmeGrade

Selected for student engagement and internship initiatives.
